

Testimonials

"Dear David Schreiber, We both miss you... We paid off our mortgage, plus made other house repairs and needs. We are doing well and caught up with expenses. Laura is still in pain but she is resigned to the fact that it will be a lifetime, no more operations for her. We cannot thank you enough. You guided us through very difficult times. Thanks again from the bottom of our hearts."

Laura and Dave, Berks County

"We would like to deeply thank Dave Schreiber for his support and guidance in dealing with our contract dispute with a major insurance company. My husband and I felt like we had no voice battling against a big company and looked to Dave for solid experience and track record. Dave Schreiber was professional, hard working and compassionate in all his dealings with us. He worked diligently to hold the insurance company accountable and made sure we received a proper settlement that was fair. We could have never achieved a successful and prompt outcome without Dave Schreiber's expertise."

Stephanie & Anthony Campanale

"I never had a good impression of lawyers. I always thought they only did what they needed to and were always out for the money. But you changed my mind about that. I actually enjoyed having you as my lawyer. You took the time to explain everything to me and if I had any questions, you answered them without hesitation. You always let me know what was going on with the case and kept me updated on everything. You were always honest and pleasant with me. Words can not express my gratitude for everything you have done for me and my family. I would definitely recommend you to my family and friends. Thanks again for everything you have done."

"Your attorney skills reflect an individual that excels in his profession. The sincerity you displayed, the knowledge of the law and your efforts to communicate to keep your clients informed were greatly appreciated. We would gladly recommend you to anyone that would require legal counsel in your specialty of the law. Your firm is fortunate to have a young man of your caliber on their staff. We wish you a bright future as you travel further in your profession."
